

Title

Department of Mathematics, Graduate School of Science, Hokkaido University
Taro WAKATE *

Abstract

Please write down your abstract.

1 Introduction

Please write down the main text. This conference aims to promote interaction with young researchers from various fields. For this reason, we would ask you to include the background and motivation for your research.

2 Main Results

You should write explicitly about novelty by using terms such as “main result”, “main theorem”, etc..
